Slow-Cooker Pulled Chicken

40g protein • 360 kcal • 250 min • serves 6 • keeps 4 days

Ten minutes of effort in the morning, a mountain of pulled chicken by pickup time. Sandwiches, bowls, wraps - it does all of it.

Ingredients

- 1kg Chicken breasts
- 1 cup (250ml) BBQ sauce
- 1/2 cup (125ml) Chicken stock
- 2 tsp Smoked paprika
- 1 tsp Garlic powder
- 6 Wholemeal rolls or wraps

Method

1. Put chicken, stock, paprika and garlic powder in the slow cooker. Low for 4 hours (or high for 2.5).
2. Shred with two forks right in the pot - it should fall apart.
3. Stir in the BBQ sauce and let it soak up the juices for 10 minutes.
4. Serve in rolls, over rice, or in wraps. Portion the rest - it also freezes brilliantly.

Turkey Meatballs in Marinara

40g protein • 480 kcal • 35 min • serves 4 • keeps 4 days

A double batch of tender turkey meatballs - half for tonight's spaghetti, half for the freezer. Future-you says thanks.

Method

1. Mix turkey, egg, breadcrumbs, parmesan and seasoning. Roll into golf-ball meatballs - wet hands stop the sticking.
2. Brown them in a wide pan with a little oil, 5-6 minutes. Don't crowd; do two rounds if needed.
3. Pour in the marinara, cover, and simmer 12 minutes while the spaghetti boils.
4. Serve half over pasta tonight. Cool the rest in sauce and freeze flat in bags.

Ingredients

- 800g Turkey mince (7% fat)
- 1 large Egg
- 1/2 cup (50g) Breadcrumbs
- 1/2 cup (40g) Parmesan, grated
- 2 jars (1.2kg) Marinara sauce
- 300g dry Spaghetti
- 1 tsp each Garlic powder + dried oregano

Greek Chicken Pasta Salad

38g protein · 480 kcal · 27 min · serves 4 · keeps 4 days

Cold pasta salad that actually keeps you full: chicken, feta, olives and crunchy veg. Built for the office fridge.

Ingredients

- 2 (400g) Chicken breasts
- 300g dry Short pasta (penne or fusilli)
- 250g Cherry tomatoes, halved
- 1 Cucumber, diced
- 100g Feta, crumbled
- 1/2 cup Black olives
- 3 tbsp + 2 tbsp Olive oil + red wine vinegar
- 2 tsp Dried oregano

Method

1. Boil the pasta. While it cooks, season the chicken and pan-fry 5-6 minutes a side, then slice.
2. Rinse the pasta under cold water - this is a cold salad, warm pasta makes it gluey.
3. Toss everything in a big bowl with the oil, vinegar and oregano. Season properly.
4. Split into 4 containers. It's better on day two once the dressing sinks in.

Veggie Egg Muffins

26g protein · 290 kcal · 32 min · serves 6 · keeps 4 days

A muffin tin full of eggs, cheese and whatever veg is in the drawer. Reheat two in 45 seconds while you find the kids' shoes.

Ingredients

- 12 large Eggs
- 1 cup (100g) Cheddar cheese, grated
- 1 large Bell pepper, diced
- 2 big handfuls (60g) Baby spinach, chopped
- 150g Cooked ham or bacon, diced
- to taste Salt and pepper

Method

1. Oven to 180°C. Grease a 12-hole muffin tin properly - this is the step that saves you scrubbing later.
2. Whisk the eggs in a jug with salt and pepper. A jug means you can pour, not spoon.
3. Split the veg, ham and cheese between the holes, then pour egg over each until three-quarters full.
4. Bake 20-22 minutes until puffed and set. Cool, then fridge in one container. Two muffins = one serving.

Cottage Cheese Ranch Dip

26g protein · 215 kcal · 5 min · serves 2 · keeps 4 days

Blitz cottage cheese with ranch seasoning and it turns into a creamy dip with a ridiculous amount of protein. Veg sticks suddenly worth it.

Ingredients

- 2 cups (450g) Cottage cheese
- 1 tbsp Ranch seasoning (or garlic powder, onion powder, dried dill)
- 1 tsp Lemon juice
- 2 cups mixed Carrot sticks, cucumber, peppers

Method

1. Blend the cottage cheese, seasoning and lemon juice until completely smooth - 30 seconds.
2. Taste and adjust: more dill if you like it herby, black pepper always.
3. Keep in a container in the fridge and dip veg (or crackers, we don't judge) all week.
